"The South 40" by JAMES A. SMITH EXTENSION AGENT

I'm not sure of the significance, but there's an unusually large number of grasshoppers this summer. Some gardeners report they are feeding on tomatoes and other vegetable crops.

• • •

We'll have 34 in the Dark Fire Cured Tobacco Recognition Program this year. The enrollment is a half what it was a year ago.

• • •

At least one gardener has asked about controlling deer in vegetable gardens. A recommended control is to suspend small bags of tankage from a small wire around the plot. If deer are very hungry this may not work. Raccoons may also pull the bags of tankage down.

• • •

The yearling consignment to the Lynchburg sale is 124 head from 11 herds. This sale will be held Sept. 9.

• • •

There's nothing that can be done now to increase corn silage production. However, dairymen in particular may want to plant additional small grain. Wheat silage will give a higher yield, but most dairymen prefer barley silage.

• • •

Winter grazing is a way to supplement the need of hay and silage this fall and winter. Sow 1½ to 2 bushels of rye and 15 pounds of crimson clover per acre. This should be done after the first good rain. A good stand, well fertilized will graze 3 to 5 cows per acre for 4 to 8 weeks.

• • •

Tobacco roots should be plowed out as soon as possible following harvest. This helps reduce insect infestation, disease and nematodes.

• • •

Livestock producers should be taking silage samples as corn is harvested in order to determine the forage quality. With this advance information they are better able to know how to properly supplement the ration. Silage made from poorly pollinated corn has only 75 - 80 per cent of the value of normal corn silage.

• • •

The August crop predictions are corn at 6.2 billion bushels, 4 percent above last year; soybeans 1.3 million bushels, down 4 percent from 1975 and wheat down 2 percent from last year.

With all of the sophisticated data collection efforts the past 10 years show that the August forecast was above the final estimates 5 times by an average of 39 million bushels and below 5 times by an average of 39 million bushels.

Users of this kind of information need to recognize that there may be differences and that the August 1 forecasts are the best estimates available at that time.

• • •

The program for the Orange Field Day looks like a good one. Only have one carload of farmers going.

FFA ALUMNI WILL HOLD ANNUAL MEETING

The Future Farmers of America Alumni Annual Meeting will be held August 27, 1976 at 6:30 p.m. in the Appomattox County High School cafeteria.

The meeting will include an address by the National FFA Alumni Administrative Secretary, accomplishments reports on the FFA Chapters and the Alumni Chapter, and a steak dinner.

Membership dues will be collected. Persons wishing to join and attend the annual meeting should contact the Ag. Ed. Department (352-7146) or Mr. Ben Wheeler before Wed., Aug. 25, 1976 so that your steak will get on the grill.

DRUG EDUCATION COMMITTEE MEETS

Cont'd from Page 1

During the committee's first meeting, School Board policy related to drugs and drug abuse was reviewed. The committee was informed that this policy has been published in the **Times-Virginian** in an effort to make everyone aware of the responsibilities of the school system. The committee was, also, told that school employees in cooperation with other agencies will enforce School Board policy to the fullest extent possible. Committee members offered the services of their respective agencies in the implementation and enforcement of the policy.

Other business of the committee included recommendations to assist with the program of drug education. The committee believes that the topic should be discussed at P.T.A. meetings and that an educational program appropriate to the level and maturity of the individual be provided from kindergarten through grade twelve.

Mr. Roland Murphy was elected to serve as chairman of the committee and Mrs. Geraldine Clark was elected secretary.

respective schools from Tuesday, August 24th through Friday, August 26th, making preparations to receive our pupils on Monday, August 30th.

Parents are asked to report to the schools between the hours of 8:30 a.m. and 5:00 p.m. on Thursday and Friday of this week to pay student fees. If there are students who have not registered, parents should report on one or the other of these days to take care of this business.

SCHOOL BOARD ANNOUNCES POLICY ON MANAGEMENT OF THE STUDENT'S SCHOLASTIC RECORD

Cont'd from Page 1

schools.

All scholastic records shall be filed in a central location accessible to professional personnel within the school who have legitimate educational interests in the student. The principal and/or his designee (s) shall be responsible for the collection of data, record maintenance and security, access to records, and dissemination of information from records. It shall provide for the periodic evaluation of records by professional personnel and the removal of data no longer educationally useful. The principal, with the assistance of appropriate staff members, shall establish and use necessary procedures for implementing local school board policy and regulations relative to scholastic records.

Guidelines for implementation of the policy include: 1. Information which shall be maintained on all students; 2. Items classified as directory information; 3. Procedures for maintaining a confidential file on students separate and apart from the cumulative file; Procedures for access to records by parents whose students are under eighteen years of age and by students who are eighteen years of age and older; 5. Procedures for release of data from records; 6. Procedures for transfer of scholastic records.

Davis To Conduct Revival At Beulah

Dr. Bob C. Davis, Evangelist from Concord, Virginia will conduct Revival Services at Beulah Baptist Church, located on Route 1, Brookneal, from September 12 through September 17, 1976. Services will begin each night at 7:30 p.m. with special music each night. YOU and your family are cordially invited to attend each night.

Dr. Davis, who is a graduate of Columbia Bible College, Columbia S. C., Southwestern Baptist Theological Seminary, Fort Worth, Texas; and Luther Rice Seminary in Jacksonville, Florida, is married to the former Miss Norma Beach, and they have two daughters, Joy and Lori.

This great man of God has had a total of fifteen years of pastoral work, during which time he served six churches as pastor. A full-time Evangelist now, he conducts revivals all across America. He also conducts witnessing clinics and has been on a preaching mission in Jamaica. Dr. Davis is also the author of a book, "Building A Soul Winning Church" and an article in the "Outreach" magazine entitled "When A Normal Life Becomes Super Normal."

Beulah feels fortunate in being able to have Dr. Davis conduct this revival, and we are most pleased to share him and our services with YOU. Again, we invite you to come and share this great week of gospel preaching and singing at Beulah!

Lifetime License— Who Needs One?

Virginia residents 65 years of age and over are reminded the lifetime licenses that allow them to hunt, fish, and trap in the Commonwealth are available for a one-time fee of $5.00. Applications for these licenses are available from the Game Commission office, 4010 West Broad Street, Richmond, Virginia 23230.Virginia Residents over 65 years of age are reminded that they do not need a license to fish anywhere in Virginia, or to hunt, fish and trap on private property in their county or city of residence. So, if you're just going fishing and you are over 65, all you need is some identification, (a driver's license will do) that shows your age.
